PREFACE

“Chhattisgarh At A Glance 2010” is the eighth issue of the Directorate published in English.

This publication incorporates secondary information on various socio-economic parameters of the State. The information on population characteristics have been derived from the final result of Census 2001. Information on other parameters has been collected from various Organizations / Departments. I am grateful for their timely cooperation.

I am also thankful to the officers and staff of the Directorate of Economics and Statistics who have worked tirelessly to bring out this issue. I hope that the readers will find this issue very informative and useful.

Suggestion for further improvement in coverage and content of the publication are welcome.
