CHAPTER 4

PUBLIC FINANCE

As per the provision of Government of NCT of Delhi Act, 1991, a Consolidated Fund, separate from that of the Government of India had been constituted with effect from December, 1993. All Revenue and Capital Receipts of Delhi Government are credited in to this Fund and all the Govt. is met out of this Fund.

- 1.2 The Expenditure Budget of Government of NCT of Delhi is mainly financed from its own tax revenue, which includes, revenue collection from GST, VAT Excise, Stamp Duty and Motor Vehicle Tax. In addition, there is non-tax revenue and transfers from government of India in the form of loan and grant under various items. It is important to highlight here that around 68% of total Tax Revenue in 2019-20 came from GST & VAT, 14% from Excise 13% from Stamp Duty and 5% from MVT.
- 1.3 Besides the tax revenue, there are transfers of Grants-in-Aid / Other receipts from the Centre, which mainly includes (i) Grant in lieu of Share in Central Taxes, enhanced compensation to 1984 riot victims, Relief to Jammu and Kashmir Migrants (ii) Normal Central Assistance and grant in aid for Centrally Sponsored Schemes (iii) Loan for Externally Aided Projects like WTP at Chandrawal (iv). Compensation for implementation of GST.
- 1.4 Similarly, Delhi Government's Capital Receipts mainly cover recovery of loans and advances from Local Bodies/Undertakings/Government Servants etc. and Small Savings Loan from National Small Savings Fund (NSSF) of the Government of India.
- 1.5 The expenditure out of the Consolidated Fund of Delhi is broadly maintained under the Heads of Establishment and Scheme/Programme/Projects including Centrally Sponsored Scheme (CSS). Further, both Establishment and Scheme / Programme/ Projects expenditure is maintained under the Heads of Revenue and Capital Account. The classification of expenditure in to Plan and Non Plan was removed from financial year 2017-18 and now there is only Revenue and Capital Classification.
- 1.6 The Establishment Revenue expenditure of Delhi Government mainly covers the items like salary and office expenses, interest payment to Government of India, devolution of funds to Local Bodies, Grant-in-Aid to various Public Sector Enterprises (PSEs) / Institutions, Subsidies, if any, being provided by the Government to defray the cost of some items/ services under Revenue Establishment head etc. On the other hand, the Establishment Capital expenditure of the Delhi Government covers the repayment of loan to the Government of India, loans/advances to the Local Bodies/Government Servants, Public Sector Enterprises etc.

- 1.7 The Revenue Expenditure under scheme/programme/projects mainly covers cost of equipment's, grant-in-aid, reimbursement of Service charges etc. On the other hand, the Capital expenditure under scheme/programme/projects covers the Capital Outlay for various infrastructure projects being implemented by the Government Departments including Equity capital to the Public Sector Enterprises etc. and loans & advances being provided for remunerative schemes/projects of Local Bodies/PSEs, etc.
- 1.8 Delhi Legislative Assembly passed the State Goods and Services Act on 31st May 2017 and thus GST rolled out in Delhi w.e.f. 01-07-2017. As a result, erstwhile VAT (excluding items like petroleum, liquor etc) & other taxes viz. Entertainment tax, Luxury Tax and Cable TV tax subsumed in GST. Trade & Tax Department, GNCTD made all efforts for smooth migration of all existing VAT dealers in new regime of Goods & Services Tax. Dissemination of related information through printed brochures, deployment of Sahayata Vahans, one to one contact, organizing camps in major markets, setting up of GST support committees in markets etc were such important steps taken by the Trade & Tax Department.
- 1.9 Tax Collection of Delhi Government registered a negative growth of 0.16% during 2019-20 (Prov.) as compared to the growth of 2.54% in 2018-19. Stamps and Registration Tax (including land Revenue) recorded the highest growth of 3.37% in 2019-20 (Prov.). Tax collections under State Excise recorded a growth of 0.79% and 0.21%. However, GST (including VAT and other taxes of Luxury and Entertainment etc.) and collections of Motor Vehicles Tax has shown a negative growth of 0.57% and 5.19%. The tax collection for the year 2020-21 is budgeted with a growth of 20.60% over the previous year.
- 1.10 Delhi Government has received Small Saving Loan of ₹ 4540.60 crore during 2019-20 (Prov.) as against ₹ 2800 crore in 2018-19.
- 1.11 Like earlier Central Finance Commissions, Delhi has not yet been covered under the Term of reference of Fifteenth Central Finance Commission (15thCFC) whose term covers the period from 2020-21 to 2025-26. Thus, the dispensations to be recommended by the Fifteenth Central Finance Commission to the States which include Share in Central Taxes, Grants-in-aid for Local Bodies, Revenue Deficit grants, Sectoral grants, grants for Calamity Relief etc may not cover Delhi. On this issue, the Govt. of NCT of Delhi has already requested Govt. of India to take suitable measures to get covered Delhi under the purview of Fifteenth Central Finance Commission. Now, Delhi only gets discretionary grants in lieu of Share in Central Taxes and that too is stagnant at ₹ 325 crore since 2001-02.
- 1.12 On the other hand, as per Constitutional requirement, the Government of NCT of Delhi is making devolution of funds to its Local Bodies based on the recommendations of Delhi Finance Commission being set up from time to time. The formula for devolution of funds to Local Bodies in Delhi based on the

recommendations of the Third Delhi Finance Commission (Tenure 2006-07 to 2010-11) was extended up to 2015-16. The Delhi Government set up the Fourth DFC and Fifth DFC for the period 2011-12 to 2015-16 & 2016-17 to 2020-21 respectively and both the Commissions submitted their report to the Government of NCT of Delhi. The Govt of NCT of Delhi vide Cabinet Decisions No 2669 & 2670 dt 01/01/2019 decided to implement the recommendations of 5th DFC for the period 2016-17 to 2020-21 and to continue the devolution of net tax proceeds for the period 2011-12 to 2015-16 as per 3rd DFC in place of 4th DFC as the Govt has decided not to implement the 4th DFC. It was also decided that the devolution of funds already made for the period 2011-12 to 2015-16 (period of 4th DFC) as per formula of 3rd DFC, to DMCs, Delhi Cantonment Board and New Delhi Municipal Council shall be treated as final and no recoveries shall be made.

- 1.13 The Delhi Government has implemented a subsidy scheme at 100 per cent on the existing tariff to the domestic consumers of electricity consuming upto 200 units per month and 50 per cent on existing tariff to the domestic consumers upto 400 units per month. Accordingly Government has released an amount of ₹ 2405.59 crore on this account during 2019-20. The Government also implemented a scheme of giving 20KL of free water per month to domestic water consumers in Delhi from March 2015 onwards. Accordingly Government released an amount of ₹ 467.50 crore on this account during 2019-20 to Delhi Jal Board for meeting the expenditure on account of giving free water to consumers.
- 1.14 Delhi has maintained its consistent Revenue Surplus which was ₹ 7498.79 crore during 2019-20 (Prov.) as compared to ₹ 6261.03 crore in 2018-19. The budgeted revenue surplus for 2020-21(BE) is ₹7238.53 crore which is 0.91% of GSDP.
- 1.15 The private Stage Carriage Buses run by individual private operators have been replaced with the scheme for operation of Cluster Buses being operated by corporate entities to provide better transportation services and safety of journey to the commuters of Delhi. According to the scheme, the Government has to meet the viability gap between the cost of operation and revenue earned from such Cluster Bus Scheme. Delhi Government has also to bear the working losses of DTC besides the burden of subsidy for concessional bus passes being operational in both DTC and Cluster buses. Further, the Government has allowed facility of free travel to Women in DTC and Cluster buses since October, 2019. Accordingly, during 2019-20, Government released an amount of ₹ 70.17 crore to DTC and ₹ 44.53 crore to cluster buses for meeting the expenditure on account of giving free travel to Women. Further, the Delhi Government provided a subsidy of ₹ 90.68 crore to DTC during 2019-20 (Prov.) for concessional passes.

- 1.16 Delhi Jal Board (DJB) has succeeded in meeting out its operating expenses from 2010-11. No Assistance was provided to them since 2010-11. During 2012-13 to 2015-16 they have maintained revenue surplus. However it turned into revenue deficit during 2016-17 to 2020-21 (BE).
- 1.17 The Delhi Urban Shelter Improvement Board (DUSIB) was constituted by the Government of NCT of Delhi with effect from 10thJuly 2010. The DUSIB is looking after the matters relating to notifying slum areas, providing civic amenities to Jhuggie Jhoprie settlements, resettlement of such colonies, etc. During 2019-20 Government of NCT of Delhi provided a Ways and Means loan of ₹ 200 crore for meeting their salary and other administrative expenses.
- 1.18 Delhi's outstanding debt at the end of March, 2020 was ₹ 34461.83 crore including the non plan loan received during 2013-14 from Government of India for meeting the outstanding liabilities of DVB/DESU amount of ₹ 3326.39 crore. Thus, the outstanding debt of Delhi Government constitutes 4.15% of GSDP during 2019-20.
- 1.19 The flow of funds from Govt. of India for schemes/ programmes to Delhi has increased from ₹ 1326.18 crore in 2018-19to ₹ 1712.04 crore in 2019-20.Such increase in Grants in 2019-20 is mainly because of receipt of ₹ 1169.48 crore in 2019-20as compared to ₹ 807.03 crore during the year 2018-19 on account of Centrally Sponsored Schemes (CSS). Further, the grants of ₹ 472 crore is received under Normal Central Assistance during 2019-20.
- 1.20 The flow of Grants from the Centre under Establishment Section has also increased from ₹ 4517.59 crore in 2018-19 to ₹ 7761.00 crore in 2019-20 mainly because of receipt of ₹ 7436 crore in 2019-20 as compared to ₹ 4182 crore in 2018-19 on account of Compensation for implementation for GST. No grant is received under 1984 riot victims, Delhi Disaster Response Fund and Relief to J&K migrants from GOI in 2019-20.
- 1.21 There is Fiscal Deficit of ₹3227.79 Crore during 2019-20 (Prov.) as compared to Fiscal Deficit of ₹1489.38 crore in 2018-19 which is 0.39% of GSDP as compared to 0.20% during 2018-19.
- 1.22 Thus, the overall expenditure of Delhi in the year 2019-20 was marginally lower than its income.

2. Direct Benefit Transfer (DBT):

2.1 Direct Benefit Transfer (DBT) is an attempt to change the mechanism of transferring benefits. This program aims to transfer subsidies/benefits directly to the beneficiaries through their bank accounts. The emphasis on delivering benefits directly reduces leakages, increases beneficiary choice and eliminates intermediaries between the beneficiary and the state.

- 2.2 The primary aim of the Direct Benefit Transfer program is to bring transparency and terminate pilferage from distribution of funds sponsored by Government of India and Govt. of NCT of Delhi. Under DBT, benefit or subsidy is directly transferred to beneficiaries after verification and authentication of data of beneficiaries using Aadhaar numbers or biometric input and linking bank account details.
- 2.3 Total 73 Schemes of which37 under Centrally Sponsored Schemes and 36 State Schemes are being implemented under DBT in NCT of Delhi.
- 2.4 Overall 95.75% beneficiaries (96.69% beneficiaries under CSS and 84.73% under State Schemes) have been seeded with Aadhaar upto December 2020. All payments under various welfare schemes of Centrally Sponsored Schemes to beneficiaries are made through DBT mode of PFMS portal only.
- 2.5 Total savings for the financial year 2020-21(upto December, 2020) accrued due to implementation of Aadhaar based DBT is ₹ 35.69 lakh.
- 2.6 Delhi DBT Portal has been made live and integrated with Bharat DBT Portal.

 DBT implementing departments upload schemes wise data on Delhi DBT portal monthly which is pulled over by DBT Mission once in a month.
- 2.7 The details of inflow and outflow of funds of Delhi Government and some of its important financial features are described in the following paragraphs:-

3. Revenue Receipts

- 3.1 As per population Census-2011, the population of Delhi recorded a decadal growth of 21.20 per cent during 2001-2011 as compared to the growth of 17.67 per cent at the all India level. In view of high population growth of Delhi, it is necessary for the Government to augment its revenue to finance its development schemes/projects in order to cater to the needs and aspirations of the people in Delhi.
- 3.2 Revenue receipts can broadly be categorized as Tax Revenue, Non-Tax Revenue and Grants-in-aid and other receipts from the Central Government. The position of revenue receipts of Delhi Government is presented in Statement 4.1 and Charts 4.1 and 4.2 (Ref. Table 4.1 for further details).
