P R E F A C E

The present issue of '**Statistical Year Book of Tamenglong District, Manipur, 2016**' is the first publication of Tamenglong District which depicts the latest available numerical information pertaining to various socio-economic aspects of Tamenglong District. Most of the data presented in this issue at Sub-division level are collected and compiled by the District Statistical Office, Tamenglong from various District level offices of the Government/Local bodies. The sources of data are indicated at the end of each statistical table.

The generous co-operation extended by the different Departments/ Offices/Statutory bodies in furnishing the required data is acknowledged with thanks. The sincere efforts put in Shri RK Kakangam, District Statistical Officer, Tamenglong and staff of the District Statistical Office, Tamenglong District in the preparation of the current issue, inspite of various limitations, is highly commendable. The contribution of the State Headquarter in editing/printing/binding/cover design of the publication is also highly appreciated.

The present issue being the first and the limited time available for standardization of presentation of the data, the need for further improvement is an accepted fact. And as attempt is focussed on presenting data at disaggregated level as far as possible, the need to ensure district level data obtained from the respective State Headquarter Office tally with the district total presented in the report brought out by the District Statistical Office. Therefore, suggestions for improvement in the quality, coverage and presentations in its future of the publication are most welcome.
