Posted On: 06 JUN 2021 12:20PM by PIB Delhi

Union Education Minister, Shri Ramesh Pokhriyal 'Nishank' approved the release of Performance Grading Index (PGI) 2019-20 for States and Union Territories of India today. The Government has introduced the Performance Grading Index with a set of 70 parameters to catalyse transformational change in the field of school education.

The PGI for States and Union Territories was first published in 2019 with reference year 2017-18. The PGI : States/UTs for 2019-20 is the third publication in this series. The PGI exercise envisages that the index would propel States and UTs towards undertaking multi-pronged interventions that will bring about the much-desired optimal education outcomes. The PGI helps the States/UTs to pinpoint the gaps and accordingly prioritise areas for intervention to ensure that the school education system is robust at every level.
