CHALO DELHI!!

Dharna on NREGA

2-4 August, 2022, Jantar Mantar - New Delhi

The National Rural Employment Guarantee Act (NREGA) is under attack. Instead of building upon the critical role played by NREGA in alleviating income and livelihood distress during COVID and the subsequent lockdowns, the Government of India is undermining the Act through delayed fund release to State Governments, delays in wage payments, low wage rates, arbitrary imposition of digital attendance and thereby shrinking workers' entitlements protected under law and Supreme Court Judgements. Wages amounting to more than ₹10,000 crores are pending with the central government. Fund releases to State Governments are being stopped on multiple regulatory pretexts which is eventually leading to the further punishing of NREGA workers.

More than five hundred NREGA workers and their supporters from across the country will gather in Delhi on 2nd, 3rd and 4th August, 2022 under the banner of NREGA Sangharsh Morcha to raise these issues, while the Monsoon Session of Parliament is underway.

The dharna will also be an opportunity for workers and people's associations to learn more about the implementation of the employment guarantee act in different states and to extend solidarity to the struggles of workers in various states across the country. **We invite you to join us during these days and support this important struggle.**

Please find attached Charter of demands of the NSM for your reference.
