(SHRI G. KISHAN REDDY)**

(a) to (e) : The National Crime Records Bureau (NCRB) compiles the data on crime as reported to it by States and Union Territories and publishes the same in its annual publication 'Crime in India'. The latest published report is of the year 2019. As per published report of the year 2019, total number of persons arrested under the Unlawful Activities Prevention Act(UAPA) in 2019 is 1948. Further, the total number of the persons arrested and the persons convicted in the years from 2016 to 2019 under the UAPA in the country are 5922 and 132 respectively. NCRB does not maintain this data on the basis of religion, race, caste or gender.
